

## Job Details

Bookoff McAndrews, PLLC, is seeking a full-time registered patent attorney/patent agent with 2-4 years relevant experience to work in its Washington DC office. Responsibilities will include assisting in the drafting of patent applications and other prosecution/counseling matters, including drafting opinions, conducting due diligence investigations, and performing freedom-to-operate and landscape analyses under the supervision of the firm's partners.

Bookoff McAndrews offers the opportunity for cutting-edge work in a collegial atmosphere with competitive salary and benefits. We represent large, mid-size, and start-up companies in a diverse range of mechanical, electro-mechanical, medical device, and business method technologies. We value collegiality and diversity among our lawyers and seek to make the practice both professionally and personally rewarding.

Please submit your cover letter, resume, law school (if applicable) and undergraduate transcripts, and a writing sample to Dinesh Melwani at [dmelwani@bookoffmcandrews.com](mailto:dmelwani@bookoffmcandrews.com).

## Requirements

A bachelor's degree and solid background in mechanical or electrical engineering is required. In addition, excellent writing skills, superior law school academics, and the ability to work independently with minimal supervision are required. Candidates should enjoy working with others in a team oriented setting. Prior experience in a law firm setting is preferred. Candidates with at least two years experience of U.S. Patent & Trademark Office (USPTO) work experience, including practice before the Office, are encouraged to apply. In addition, candidates having completed at least two years of evening law school are also encouraged to apply. No agencies or recruiters please.
