

Hanson Bridgett LLP - Environmental Litigation Associate (3rd or 4th year)

The Environmental Practice Group and the Government/Public Agency Section have an opening in our San Francisco office for a mid-level associate with experience in environmental and natural resources law. Ideal candidates will have experience in several of the following areas: NEPA/CEQA compliance, RCRA, CERCLA, solid waste management, endangered species, storm water management, remediation and development of contaminated properties, environmental reporting requirements, Clean Water Act, wetlands, Clean Air Act, UST clean-up and environmental due diligence. Experience with the discovery process in state and federal courts reviewing environmental and administrative records is preferred. Experience with all phases of trial is a plus. Some involvement with transactional compliance advice work; permitting experience preferred but not required. Will also work on general public agency law matters as well. Strong academic credentials, high level analytical skills, superior writing skills, administrative hearing and trial experience preferred. CA Bar required.

We are an EEO employer and offer a competitive salary and benefits package. Direct applicants only.

To be considered for an associate position, please submit: a) a cover letter stating your interest in the position; b) your resume; c) a copy of your law school transcript and d) a research based writing sample (such as a research memo).
