

## **Staff Attorney American Bar Association Rule of Law**

The American Bar Association Rule of Law Initiative in Turkey is seeking a local Staff Attorney for its program in Gaziantep, Turkey. The staff attorney will lead and supervise all the legal awareness-raising and counseling activities in collaboration with lawyers and interpreters involved in the program. The duration of the position based in Gaziantep is five months with extensive travel to Istanbul, Ankara, and Mersin.

### **Duties and Responsibilities**

- Assist with the development of program materials, reports and legal training curricula;
- Conduct legal research and keep apprised of relevant legal developments;
- Monitor national and international news outlets for relevant social, legal and political developments;
- Liaise with government officials, partner organizations and individuals;
- Oversee event planning including logistics, budget management, participant coordination and development of content;
- Provide program monitoring and evaluation support; and
- Provide informal interpretation between Turkish-English for international staff during meetings and events as needed

### **Qualifications and Requirements**

- A Law Degree from an accredited university;
- At least three years of relevant work experience;
- Knowledge of human rights law;
- Excellent oral and written English;
- Able to travel and work some evenings and weekends
- 

### **Payment**

This is a paid position. Final compensation will be subject to negotiation.

### **How to Apply**
