Job Posting:

Intellectual Property/Life Science Attorney

Snell & Wilmer is a full-service business law firm with more than 400 attorneys practicing in nine offices throughout the western United States and in Mexico, including Phoenix and Tucson, Arizona; Los Angeles and Orange County, California; Denver, Colorado; Los Cabos, Mexico; Las Vegas and Reno, Nevada and Salt Lake City, Utah.

Snell & Wilmer's Life Science Group is seeking an intellectual property attorney with a PhD or Masters in Organic or Medicinal Chemistry, to join its team. A PhD or Masters in Molecular Biology or Genetics will also be considered. The Life Science team is a growing group, representing major to mid-size pharmaceutical, biotechnology and diagnostic companies across the country. The ideal candidate will be team-oriented and interested in helping to further grow the practice. Juris Doctor degree is required. The ability to bring some business is ideal but not required. The candidate could work within our regional footprint at any of our offices with a slight preference for Phoenix, Denver, Salt Lake City, or Orange County.

Please submit resume to the Director of Attorney Recruiting and Diversity at attyrecruit@swlaw.com. Thank you for your interest.
