

Lisa Konie

Senior Director of Legal Operations, Adobe Systems Incorporated

Lisa Konie is the Senior Director of Legal Operations at Adobe Systems Incorporated and brings over 20 years of experience working in the high-tech industry. She is responsible for managing the Adobe Legal and Government Relations (LGR) departmental operations, which includes everything from strategic planning and outside counsel relationships, to the LGR interactive website, tool implementation, communications and knowledge management, LGR interns, training, and overall cross-departmental issues. Her focus is ensuring departmental effectiveness and efficiency, while scaling the department to meet its business needs. Additionally, Konie leads a team called Global Legal Services, a center of excellence focused on high volume, lower complexity work, including procurement, transactional counseling, and lower dollar value deals.
