

Job Title: R00026783 Sr. Counsel - Litigation & Preventive Law (Maplewood, MN)*

3M is seeking a Sr. Counsel working in the Litigation & Preventive Law Group located in Maplewood, MN. Be part of what's next!

Job Summary:

The person hired for the position of Senior Counsel, Litigation & Preventive Law will be an experienced trial lawyer joining a team of five other lawyers who manage all types of litigation.

Primary Responsibilities include but are not limited to the following:

- Working with a team of lawyers who manage litigation of all types, including commercial disputes, products liability, intellectual property (patent, trademark, and trade secret), environmental, and insurance recovery and coverage, government investigations, and third party subpoena responses.
- Managing any of the above types of litigation, but this role is expected to focus on government investigations, third party subpoena responses, and our Preventive Law initiative.
- Providing litigation advice and case management oversight to other 3M lawyers assigned to business units or staff groups.
- Partnering with 3M's business lawyers to ensure early intervention in potential disputes to avoid litigation.
- Contributing to the efficiency and effectiveness of the litigation and preventive law team.

Basic Qualifications:

- Bachelor's degree or higher from an accredited institution
- Juris Doctorate degree from an accredited law school
- Minimum of six (6) years litigation practice experience, including courtroom experience, discovery, motions, trials or arbitrations, and appeals
- Minimum of six (6) years litigation experience related to government investigations and/or regulatory enforcement

Preferred Qualifications:

- Minimum of two (2) years trial experience in a law firm or government agency
- Depth of relevant experience in one or more of the following substantive practice areas: False Claims Act enforcement, false advertising claims, qui tam complaints, or other regulatory enforcement litigation
- Highly effective written and verbal communication skills, with an ability to communicate and relate at all levels of the organization, including business leaders, department leaders, and director-level management
- Results-oriented approach; personal and organizational accountability; and a collegial work style
- Ability to collaborate and communicate effectively within a team environment
- Strong academic credentials
- Uncompromising honesty and integrity

Location: St. Paul, MN

Travel: May include up to 10% domestic/international

Relocation: Is authorized

Responsibilities of this position may include direct and/or indirect physical or logical access to information, systems, technologies subjected to the regulations/compliance with U.S. Export Control Laws.

U.S. Export Control laws and U.S. Government Department of Defense contracts and sub-contracts impose certain restrictions on companies and their ability to share export-controlled and other technology and services with certain "non-U.S. persons" (persons who are not U.S. citizens or nationals, lawful permanent residents of the U.S., refugees, "Temporary Residents" (granted Amnesty or Special Agricultural Worker provisions), or persons granted asylum (but excluding persons in nonimmigrant status such as H-1B, L-1, F-1, etc.) or non-U.S. citizens.

To comply with these laws, and in conjunction with the review of candidates for those positions within 3M that may present access to export controlled technical data, 3M must assess employees' U.S. person status, as well as citizenship(s).

The questions asked in this application are intended to assess this and will be used for evaluation purposes only. Failure to provide the necessary information in this regard will result in our inability to consider you further for this particular position. The decision whether or not to file or pursue an export license application is at 3M Company's sole election.

Must be legally authorized to work in country of employment without a sponsorship for employment visa status (e.e. H1B status).
