

Prudential Job Openings dated 9-13-18

LAW

VP, Corporate Counsel – PGI00063

Legal

Newark, NJ

Reporting to the Vice President and Chief Legal Officer of U.S. Businesses, the Chief Legal Officer of PGIM leads a high performing team of more 120 associates (including more than 80 attorneys) located in offices around the world, including locations in the United States, Mexico, United Kingdom, Germany, Luxemburg, Japan and Singapore. Working closely with PGIM's senior management, s/he will be a key member of the PGIM's leadership team. As such, we are looking for both a dynamic people leader, an experienced business partner and a lawyer with strong familiarity with the asset management business. Furthermore, this role has significant growth potential. We are hiring not just for this immediate position, but focusing on potential future leaders for the Prudential Law Department. The Chief Legal Officer of PGIM is also a leader within Prudential's Law, Compliance, Business Ethics and External Affairs (LCBE) organization. S/he will actively participate in a wide range of Law and LCBE leadership meetings and will have the opportunity to provide meaningful input on the development and implementation of broader Law department strategy and priorities.

VP, Corporate Counsel – US 0002W

Legal

Newark, NJ

We are seeking a talented, business savvy and experienced lawyer to join Prudential's Law Department. This position will provide counsel and advice to Prudential's U.S. businesses in the development of new business opportunities and engagement models which will include student loan assistance ("SLA"), savings, lending, debt services, and credit counseling solutions. You will work closely and collaboratively with U.S. Business and Corporate legal teams, and will need to partner with them to provide focused, technically sound and pragmatic legal support in connection with highly visible and strategically important work for Prudential. You need to have significant law firm or in-house legal experience with the rules and regulations governing SLA, debt services, credit counseling, savings, and lending and a strong understanding of the related regulatory landscapes, including the Consumer Financial Protection Bureau. Additionally, you need to have a curiosity and desire to learn about technologies or legal areas that you aren't familiar with and to understand the mission, goals, and objectives of Prudential's various businesses.

VP, Corporate Counsel – US 0002X

Legal

Newark, NJ

We are seeking a talented, business savvy and experienced lawyer to join Prudential's Law Department. This position will provide counsel and advice to Prudential's Customer Office and the businesses of Prudential in its expanding global digital efforts. The attorney will work in the following areas: data analytics, social media, mobile app, mobile device, e-delivery, Internet, cloud, and digital media as they apply to a global financial services company. You will also have an opportunity to provide legal support in connection with strategic cross-business initiatives. This attorney will also be involved in the review of digital marketing matters, analysis of data analytics initiatives, application of AI, online terms and conditions, and social media and mobile platform terms and conditions. The successful candidate will demonstrate a willingness to take the initiative to identify and address current and new legal and regulatory issues, communicate legal decisions and facilitate and make continuous legal review process improvements in a very dynamic and fast paced environment. Strong collaboration with peers in the Law Department, Compliance, Risk Management, and our business partners will be critical to the success of this role.
