

2019 Fellows First Meeting

Hilton Austin
Austin, TX
March 1-3, 2018

What is LCLD?

The Leadership Council on Legal Diversity is an organization of more than 300 corporate chief legal officers and law firm managing partners—the **leadership** of the profession—who have dedicated themselves to creating a truly diverse U.S. legal profession. Our **action** programs are designed to attract, inspire, and nurture the talent in society and within our organizations, thereby helping a new and more diverse generation of attorneys ascend to positions of leadership. By producing tangible **results** in the lives of talented individuals, we work to promote inclusiveness in our institutions, our circles of influence, and our society, with the ultimate goal of building a more open and diverse legal profession.
