

**U.S. Bank Attorney**  
**Commercial Contracts/Money Center/Treasury Management**

The U.S. Bank Law Division is seeking a commercial contracts attorney with experience to support the Money Center, a department within U.S. Bancorp's Corporate Treasury division. The Money Center sells fixed income products to institutional customers on behalf of the Corporate and Commercial Banking, Commercial Real Estate, Government Banking and Wealth Management groups. Products offered include certificates of deposit, Eurodollar time deposits, commercial paper, U.S. Treasury and government agency securities, money market mutual funds, sweep accounts and other investment alternatives. In addition, this role will include legal support for treasury management and commercial deposit matters across multiple business lines. The position offers candidates a career with exposure to a variety of legal issues, while working with various business lines at U.S. Bank to serve as a trusted legal and business advisor.

The position will be located in Minneapolis, Minnesota. The position will report to the Associate General Counsel who serves as the team lead for the Treasury Management legal team.

**Responsibilities:**

- Focus on the support and maintenance of existing products and services as well as activities related to product development strategy and initiatives, including creating product terms and conditions.
- Render advice to business line senior management, product managers, sales officers, and Operations and Implementation teams, on a wide variety of matters of varying complexity.
- Consult and collaborate with other attorneys in the Law Division to render subject-matter expertise.
- Create templates, custom agreements and customer communications, and negotiate non-standard bank documentation and revisions to standard bank documentation.
- Review and advise on high-volume and time-sensitive matters such as control agreements, banking resolutions, and all manner of account-related inquiries.
- Monitor and advise on legislative and regulatory changes, and updates to payments systems rules.
- Review RFP contracts for federal, state, and local government entities and quasi-governmental entities, and respond to RFP-specific legal questions and certifications.
