

Frost Brown Todd's 1L Diversity Scholarship is a vital component of our Summer Associate Program and one of the many ways we support building a diverse pipeline while fostering equitable opportunities and outcomes in the legal profession. In connection with the LCLD 1L Scholars Program, we are seeking 2024 graduates for a summer associate position.

Selection Criteria

In addition to having a good law school and undergraduate record, successful candidates will be distinguished by their initiative, teamwork, communication and decision-making skills. We will give careful consideration to examples of a candidate's leadership roles or related work experience, success handling multiple tasks, service to the community, and involvement in activities both within and outside the academic context.

Scholarships will be awarded to select students who:

- (a) are members of a group historically underrepresented in the legal profession,
- (b) demonstrate academic excellence, and
- (c) share our core values, including a history of service to the community and a commitment to diversity.

Scholarship recipients receive:

\$5,000 in the form of W-2 compensation or a direct payment of tuition and/or academic fees. Upon successfully completing a second summer internship at FBT and accepting an offer to return to the firm as an entry-level associate, scholarship recipients will receive an additional \$5,000 toward their educational expenses.

OUR CULTURE

Working at a place where everyone thinks like you – or, worse, where you feel pressured to check your authentic self at the door – severely limits opportunities for personal and professional growth. We wouldn't want to work under those conditions, and we imagine you don't either. That's why we're committed to hiring qualified individuals who share our commitment to advancing diversity, equity, and inclusion in our workplaces and communities.
