

2022 LCLD Fellows Accountability Partner Groups

Below are your Accountability Partners (APs). Each AP group has 8-10 Fellows that are geographically diverse, with a mix of law firm and corporate Fellows. To find your group, go to the “search” bar at the top right-hand of your screen and look up your name. Alternatively, use the Ctrl + F (PC) or Command + F (Mac) keyboard shortcuts. From there you will be able to locate your group. Once you have everyone’s names, log into the [LCLD Directory](#) to find emails and contact information. While you’re there, make sure you have updated your Directory page with your photo and bio!
