[Carrie J. Fletcher](#), Affiliate Instructor, Harvard Law School Executive Education
- Every successful professional must have the desire and ability to engage in self-assessment. This session will use the TypeCoach Verifier Plus tool to help you understand your own default preferences around communication, information processing, and decision making. You'll also learn to identify key aspects of preferences that differ from your own and will strengthen your ability to tailor your interactions with others so that you communicate with increased clarity and effectiveness.
- 2:30 - 2:45 PM ET** **Break**
- 2:45 - 4:45 PM ET** **Navigating Your Team: Maximizing Your Effectiveness**
[John Mitchell](#), "The Purple Coach" and Owner, KM Advisors, LLC
- There are critical decisions to be made at every step in one's career. This program will focus on the challenges facing attorneys as they begin to move up in their organization and start to move from an individual contributor role to one that is focused on their role within teams. Rather than simply sharing tips and best practices, this workshop includes interactive small group activities to allow each participant to explore critical career decisions like developing mastery in an area of their interest rather than a supervisor's desire; adding value to the organization, and its customers and clients; and figuring out how to overcome institutional and environmental obstacles. This program will build upon the concepts you explored in the TypeCoach program and help you use these concepts in your day-to-day relationships.
- 4:45 - 5:00 PM ET** **Closing Remarks & Next Steps**
