### **Resilience—The Key to Moving from Surviving to Thriving**

*John Mitchell, “The Purple Coach” and Owner, KM Advisors, LLC*

At this point in your life, you have experienced life-changing events that impact your personal and professional life. Have you noticed that there are some people who seem to repeatedly bounce back from seeming disasters and and continue to shine? In the last couple of decades there has been a surge in research into the psychology of resilience and achievement. That reasearch is pointing the way to increasing your ability to recover from large and small disasters and tragedies that come your way. This session will help you learn how to manage your thinking, your beliefs, and your behaviors so that you can increase your personal level of resilience and constantly move to towards a state of thriving.

**11:45 AM - 12:15 PM**
