Challenging Conversations in Changing Times: The Opportunity for Connection

Tanya Odom, Global Diversity & Inclusion and Education Consultant, and Executive Coach

We are experiencing unprecedented social, political, and technological changes that are impacting our personal and professional lives. How do we communicate across differences? How do we increase our capacity to engage in crucial and meaningful conversations about diversity, equity, and inclusion?

This session will focus on how we ensure connection and continued trust during times of change. We will focus on creating “emotionally safe spaces,” courageous conversations, and the connection to the often misunderstood topic of “mindfulness.” We will have an opportunity to share how our firms and companies have communicated (or not...) during all of the global changes we are experiencing.
