Dear Potential LCLD Fellows Alumni Sponsor,

On behalf of the Fellows Alumni Executive Council of the Leadership Council on Legal Diversity ("LCLD"), we are pleased to invite your organization to sponsor the Seventh Annual LCLD Fellows Alumni Leadership Symposium. LCLD is comprised of over 275 corporate chief legal officers and law firm managing partners that have committed to creating a truly diverse legal profession. Its flagship program – the LCLD Fellows Program – is designed to attract, inspire, and nurture the talent within the profession, thereby allowing a new generation of attorneys to ascend to positions of leadership.

The Fellows Alumni Leadership Symposium serves as the central continuing education, career development, and networking event for the over 1045 diverse attorneys that have completed the rigorous Fellows Program. The Seventh Annual LCLD Fellows Alumni Leadership Symposium will take place June 21-23, 2018, at the W Hotel in Los Angeles, CA. As with past leadership symposiums, we anticipate that over 200 attorneys will attend. The unique format of the conference provides the ideal forum to perpetuate the mission of LCLD and ensure the further personal and professional development of the Fellows Alumni.

Enclosed is a list of the Seventh Annual LCLD Fellows Alumni Leadership Symposium Sponsorship Opportunities. We encourage you to show your support of the growing LCLD Fellows Alumni Program and its goal of increasing diversity in the legal profession by sponsoring this year's Fellows Alumni Leadership Symposium. Sponsorship provides an excellent opportunity for your organization to receive additional exposure for your contributions toward increasing diversity in the profession. We are confident that your participation will benefit you and your organization.

For additional information about the Seventh Annual LCLD Fellows Alumni Leadership Symposium, please visit www.lclldnet.org/2018FALS or contact Courtney Nolde, Fellows Alumni Program Manager, at cnolde@lclldnet.com.

We appreciate your support and look forward to your participation.
